- Airport: Normal operations.

Hazardous Materials - Green

- Facilities: Normal Operations.
- Hazmat, Pollutants, and Contaminants: Normal Operations. No reported incidents.

STATE LIFE LINES

State Emergency Operations Center (SEOC) Status

Response Level 2: State EOC Activated with DHSEM Staff and Emergency Support Functions

Recovery Level 1: State Recovery Task Force Activated

Energy and Power Lifeline is **Yellow**

All other Lifelines are **Green**

EMERGENCY MANAGEMENT ADMINISTRATIVE REPORT

Colorado Emergency Management Association (CEMA) Legislation Committee

- EM was selected and joined the Legislation Committee. We have been reviewing several bills presented in state legislation. Current bills we are working on are:
 - HB 26-1252 Updates to State Emergency Response Departments & Divisions
 - SB 26-049 NDME

Colorado Emergency Preparedness Assessment (CEPA)

- The CEPA for 2025 is completed. Next one will be in 2028

Community Animal Response Team (CART) and Community Emergency Response Team (CERT)

- Trainings on Thursday of each month at 18:00 at various locations.
- This month the members had a meeting where we trained on ICS.
- Total Exercises and Events Deployed:
 - Volunteer Expo

Continuity of Operations Plan (COOP)

- None planned

Communications

- The inspection of the Dolores Tower site was on 5/10/24 for infrastructure upgrades. Documents submitted to USDA-FS are approved. Department of Homeland Security Grant (no match) obtained approval. Had to wait on the grant funding to re-open. RFQ was sent out for the fencing project. One vendor was selected and we will begin the project in April 2026.
- Grant submission for a new generator at the Dolores tower site through Homeland Security (SHSP) grant for \$30,800. Using a separate fiscal agent, not the county. We received the award and are waiting for final documents and approval from FEMA to begin the project.
- SW Regional Infrastructure Group have been meeting for 14 months developing a strategic regional communications infrastructure plan to enhance the 800MHz system. The group is in the final stages of completion, listing the gaps in our areas with recommendations and costs. Once this is completed, we will seek funding from the State to insure sustainability for the equipment, then we will seek funding from the federal government.
- EM has a final draft on the SW Regional Tactical Interoperable Communications (TIC) Plan for 2026.
- EM revising SW Communications MOU for 2026.

Emergency Management Performance Grant (EMPG):

- 2025 EMPG Grant application was submitted for \$57,103. Notice of Funding Opportunity (NOFO) came out for the same grant in July. New funding for 9 months was \$48,181.
 - 1st Qtr. reimbursement was submitted for \$21,000.12.
 - 2nd Qtr. reimbursement was submitted for \$25,064.08.
 - 3rd Qtr. reimbursement was submitted for \$22,194.68.
 - Reimbursements approved were \$33,574.78. All reimbursements have been received.
- 2025-2026 EMPG Grant Submission: 9-month funding was submitted November 25, 2025, for the last Quarter of 2025 and two quarters for 2026. This funding was for \$48,181 and will end June 30, 2026. We received State approval to move forward.
 - 1st Qtr. 2025-2026 EMPG reimbursement was submitted for \$28,111.48

Emergency Operations Center (EOC):

- Checked all equipment.

- Remodeling electronics for Alternate EOC at the Fairgrounds. We will begin this project in April.

Hazard Mitigation Grant Program (HMGP):

- The EM and the State are still researching funding opportunities through other grants and agencies. Cost of the project is projected at \$121,138.

Integrated Preparedness Plan (IPP)

- The 2026 - 2029 IPP/TEP is completed.

Local Emergency Planning Committee (From LEPC Chair):

- Local Emergency Planning Committee meeting was held this month.
- Inspections of facilities for 2026 completed: None

Southwest All Hazards Advisory Council (SWAHAC):

- EM has been approved for no-match grants. These grants do not pass through the County for financial support or approval. They are an outside fiscal agent.
- Status on the projects are:
 - Communication Tower Infrastructure – \$21,040. RFQ fence and gate project will begin April 2026.
 - Alternate EOC electronics – \$29,269. Project will begin April.
 - CERT training and equipment – \$7,570. Equipment is being purchased.
 - SW Regional Exercise – \$15,000. This funding was discussed at the SWAHAC Board meetings. Pending on who will be the project manager for this project.
 - SHSP Generator grant - \$30,800 approved by the State, waiting on final documentation and FEMA approval.

Training/Drills:

- EM had employee fire drills on Emergent 3 Alert and Warning system for Annex 1 and Administration departments.
- EM attended TLO Talks on three topics
- EM presented Cyber Security Tabletop Exercise for the region March 5, 2026
- EM Attended Pipeline excavation training March 9, 2026

- Em Attended RMACC GAGG Meeting March 11, 2026
- EM Instructed ICS 100/200 class for DERT/CART members March 12, 2026
- EM instructed ICS 100/700 class for PCC on March 13, 2026
- EM presented an overview of Emergency Management for Montezuma Leadership.
- EM attended a Wildfire Public forum with the BOCC on March 24, 2026
- EM attended Utilities training on power outages March 30, 2026
